## Grandparents/Grandfriends Day

Grandparents and other older adults are very special people in children's lives. Children are encouraged when they know that people in their extended family, church family, and community are interested in their education. Pioneer Christian School is excited to be hosting our second annual Grandparents and Grandfriends Day. This day draws attention to the importance of our heritage, our community, and relationships across generations.

Letters with an invitation to this event have been sent to the names of those Grandparents and Grandfriends that the School Office received. We are looking forward this special day.
